GREEN MARK HERBS

Herbs of Ethiopia

COMPANY PROFILE / 2026

Rooted in Ethiopia. Picked for the world.

Fresh culinary herbs grown, packed and exported from Hawassa, Ethiopia.
Bringing care and flavour to international supply since 2010.

GROWN WITH CARE **HAWASSA, ETHIOPIA** **SINCE 2010**

www.greenmarkherbs.com

Freshness starts at the farm.

Green Mark Herbs is an Ethiopian grower and exporter of fresh culinary herbs. Established in 2010, the company combines modern farming methods with experienced local teams in Hawassa.

We grow, harvest and pack herbs with care for professional buyers. Supply discussions begin with the herbs, specification and delivery requirements each customer needs.

OUR FRESH HERB RANGE

Green basil	Red basil	Mint
Chives	Parsley	Coriander
Dill	Rosemary	Thyme

Growing herbs.
Growing opportunity.

Rooted in our community

Green Mark Herbs supports more than 400 jobs and works with local people and farming communities around Hawassa.

Our community commitments include support for local farmers and a STEMPower partnership with Hawassa University, connecting agriculture with learning and opportunity.
